I. The Landowner understands and agrees to the following conditions:

- Supply all tools, equipment and labor incidental to no-till seeding
- No-till seed approximately _____ acres of _____ according to specifications of the SWCD and Cornell Cooperative Extension
- Seed between the dates of _____ and _____ unless an extension is granted by the SWCD
- Assume risk of use and be familiar with safety rules associated with use of seeder
- No one else except the trained party or parties may operate the drill
- No other person may transfer the drill from the Landowner
- Cease use of equipment if it malfunctions during use, and to report all defects upon return of equipment
- **Thoroughly clean all seeds out of seed compartments after use. The District will charge a \$200.00 fee if we or another farmer have to clean out the seed compartments**
- Exercise reasonable care in transporting the no-till seeder to and from the worksite, and to take the same care in the actual seeding operation
- Pay the SWCD a maintenance fee of \$15.00 per acre
- Pay for damages to the seeder caused by negligence of the Landowner, and
- Be properly insured for any damages to the seeder caused by negligence on the Landowner's part
- "Hold Harmless" the District from claims that might arise from his/her farming operation while using said drill
- Provide SWCD with a certificate of insurance evidencing limits of Liability Insurance coverage in the amount of \$1,000,000 preferred or at a minimum \$500,000 prior to rental. **The insurance certificate shall name Washington County Soil & Water Conservation District as additional insured**; state that the coverage shall be primary and non-contributory coverage for the Soil & Water District, its Board, and employees. **The insurance must be for the full value with the deductible being the responsibility of the Landowner. The stated value of the 2022 Great Plains No-Till Drill Model #706NT, Serial #2168WW is \$34,000.**

II. The SWCD agrees to:

- Furnish a no-till seeder to the Landowner,
- Route the seeder in a manner that will result in the greatest efficiency of operation
- Cooperate with Cornell Cooperative Extension in obtaining herbicide recommendations for no-till seedings
- Not be responsible for any damages done to the seeder while it is in lease to the Landowner, with the exception of damage resulting from normal wear
